RK TECHSOFT INDIA - THE NEXT GENERATION

"WE ARE GIVING ONE STOP BUSINESS SOLUTION FOR ALL YOUR NEEDS"

**RK Techsoft India** specializes in outsourcing website & software development projects. Based in South India, we are operating in a challenging economy that creates a fertile environment for Information Technology and business out-sourcing. Our team has a solid and proven track record, delivering high quality and timely services.

Founded in 2013, **RK Techsoft India** is present on the national market as a supplier of innovative solutions, adding business value through technology implementation at a professional level. Focusing our activities toward developing and complex software products.

**RK Techsoft India** provides consistent results in emerging fields such as GST registrations, logo designs, Brochure & Phamplet, Flyer, Letterhead designs, Advertisement Posters, Banner Designs, Software Applications, Website Application, Domain & Webhosting Services, Social Media Registrations and Digital Marketing industry.

## We help you make the Right Decisions

Big ideas require hard work, continuous learning and an open mind. We value the chain of respect over the chain of command.

The dumbest questions give birth to the smartest ideas. We believe that the small details make the big differences.

We encourage (human) diversity. Hobbies are a valuable expression of inner beauty. All work and no play never works.
